Case No. C17-0091RSL

ORDER OF DISMISSAL

14
15 This matter comes before the Court *sua sponte*. On May 16, 2017, the case was stayed for
16 one year to give plaintiff an opportunity to associate counsel and file an amended complaint that
17 remedied the deficiencies identified in the Honorable James P. Donohue's Report and
18 Recommendation (Dkt. # 17). Plaintiff was advised that the Court would adopt Judge Donohue's
19 recommendation and dismiss the case on the existing record and without further notice if an
20 adequate amended complaint were not timely filed (Dkt. # 21). No amended pleading having
21 been filed, this matter is hereby DISMISSED.

22 Dated this 6th day of June, 2018.
